Subject: Upcoming Petersen Ranch Mitigation Bank Tour Details

Hi all,

We are looking forward to hosting you at the Petersen Ranch Mitigation Bank on Monday, October 21 at 10:30am.

I have attached the driving directions to this email so hopefully everyone will now have access. For GPS you can use this address: 13216 Kellog Vally Rd, Lake Hughes, CA 93532.

We will meet you at the turnoff from Johnson Road onto Kellog Valley Road, just inside the Petersen Ranch gate. At the turnoff you'll see a large stone and iron gate. We will be waiting for you there to lead you to the lodge to meet before touring the Bank itself.

If you get lost along the way feel free to call me, Nate, or Tracey at the following numbers:

- Nate Bello: (916) 508 4993
- Marlene Tyner-Valencourt: (248) 499-0805
- Tracey Brownfield: (415) 519 6530

Weather conditions look warm and sunny for Monday; however, weather at the Ranch can be unpredictable. We recommend you bring layers, sunscreen, hats, hiking shoes/boots, and comfortable outdoor attire. We would be happy to order-in lunch for everyone to enjoy at the end of the tour.

Feel free to call or email me with questions. And if you haven't yet, please let me know how many will be in your group so we know how many to expect.

Thanks and we're looking forward to seeing you all on Monday!

Warmly,

--
